# A TOUCH OF CLASS

The Class of 1993 entered Chelsea High School in September, 1989. Unlike every other freshmen, the '93 freshmen were accompanied by eighth graders. Incredibly, that was four years ago. Today, the Class of 1993 is about to graduate.

Throughout the past four years, there were numerous changes at Chelsea High, as well as in the entire Chelsea school system.

It all began when Boston University came to Chelsea and a partnership was formed. Together, B.U. and the city would try to improve Chelsea's school system. As a result, Chelsea High has experienced many changes and improvements.

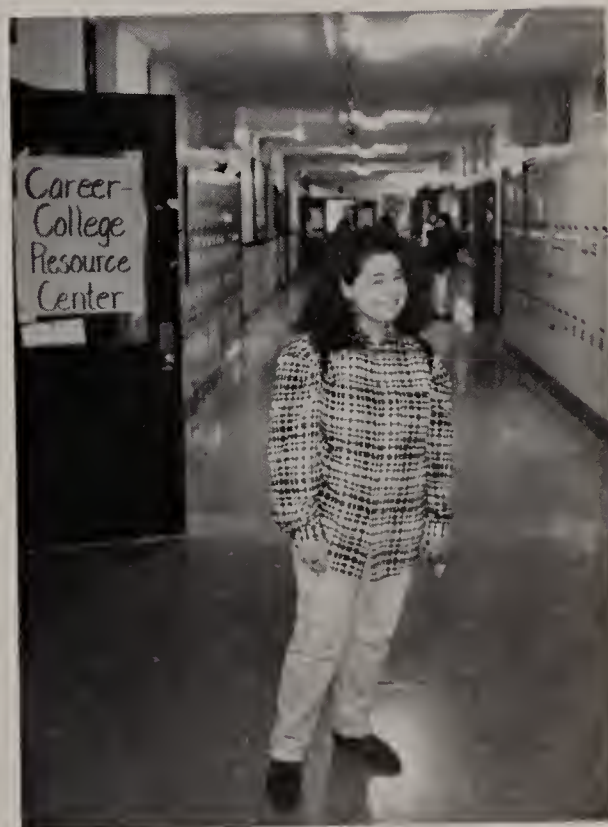

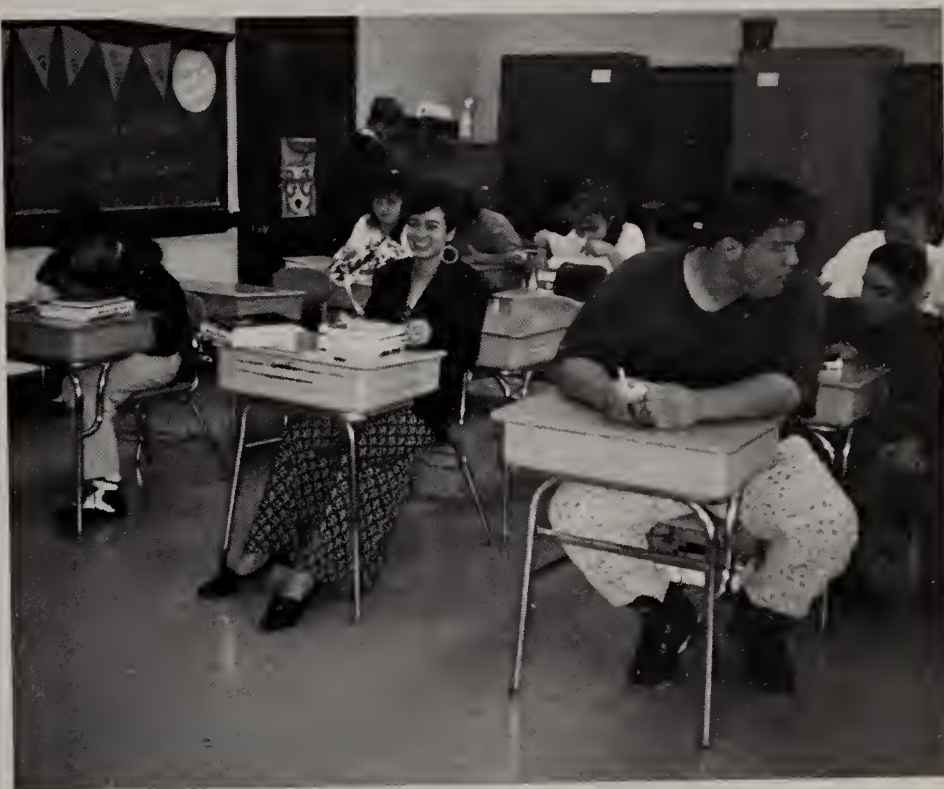

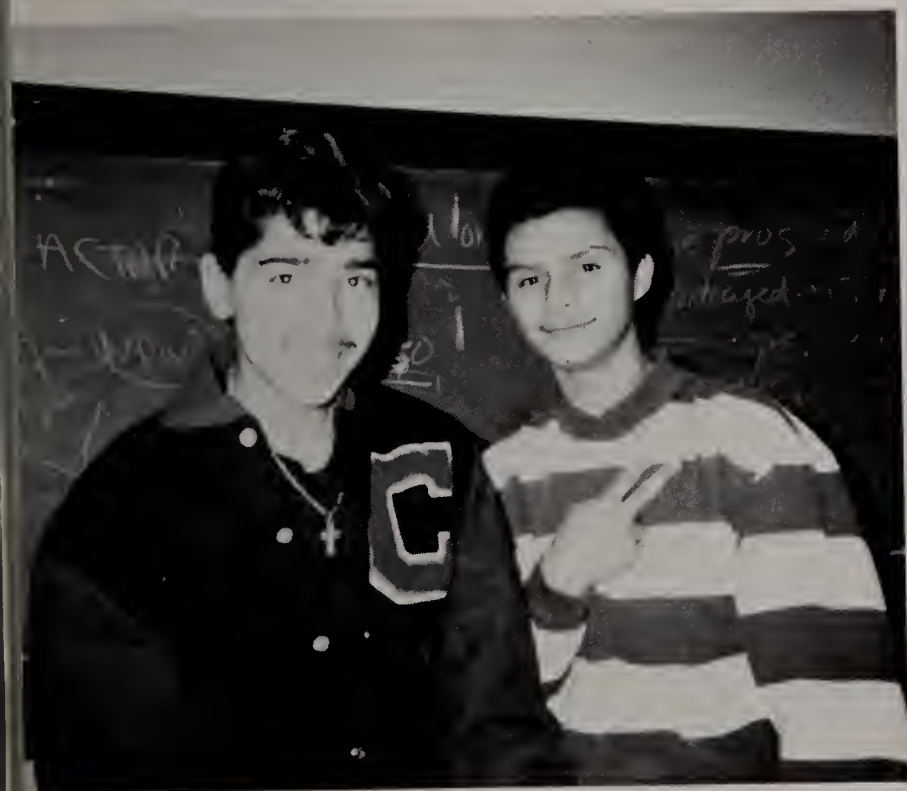

Despite the many changes, the Class of 1993 tried its very best to adjust, and it did. A multitude of great things has happened at Chelsea High since 1989. As the pages of this yearbook unfold, all of the work, pride, and accomplishments of this special class can be seen.

The '93 Seniors have handled themselves with-"A TOUCH OF CLASS."

# ACTIVITIES

Chelsea High is for learners, but after a busy week of classwork, homework, and studying, students often have a chance to relax and hone their social skills. In October, students have a great time masquerading in their creative, imaginative Halloween costumes. In May, students go to the other extreme as they don elegant gowns and stylish tuxedos for the Senior / Junior Prom. In between there are many more enjoyable activities such as the Homecoming Dance and Dinner Dance. Whether in the classroom or on the dance floor, CHS students show that *touch of class*.

# A TOUCH OF JUNIOR PROM . . . .

Elegant, stylish, and classy!!!

Phuong and Hector flash their "classy" smiles.

Presenting a very classy court: Anna Yee, Lydia Brito, Anna DiVasta, Phuong Vu, and Prom Queen Lillian Castro.

..... "DO YOU REMEMBER THE TIME?"

Linda and Carlos enjoy the rhythmic music.

Choosing a Queen was not an easy task!

Presenting the King and his court: King Chris Medina, Jon Pavlos, Jason Janiluinas, and Jose Camacho.

# A TOUCH OF SENIORS

Anna DiVasta, Nichole Page, Leslie Sosa, Phuong Vu, and Lillian Castro are the lollipop kids.

The crayolas: Anna Yee, Mirella Marquez, Lydia Brito, Linda Candida, Olga Carreno, Lidia Pereira, Liset Frometa and Lisa Roman, won the best group contest.

Give it up for the Terminator Fito, David "Daryl" Diaz, and cheerleaders Janet Gonzales, Michelle Lush, Joanna Pavlos, and Georgette Carrion.

Francis Manzano, Mirna Brizuela and Marilyn Garcia don't play that game.

Chris Medina, Francis Manzano, Armindo Oliveira, Aida Toro and Tony Ramirez are looking good.

Santos Fields as "Grandmama Johnson" received the best solo costume award from Ms. Bradley.

# HALLOWEEN DRESS UP DAY

Even "Frankenstein" dropped by to get a sundae.

Yes, that was really Donna Meuse under all that make over.

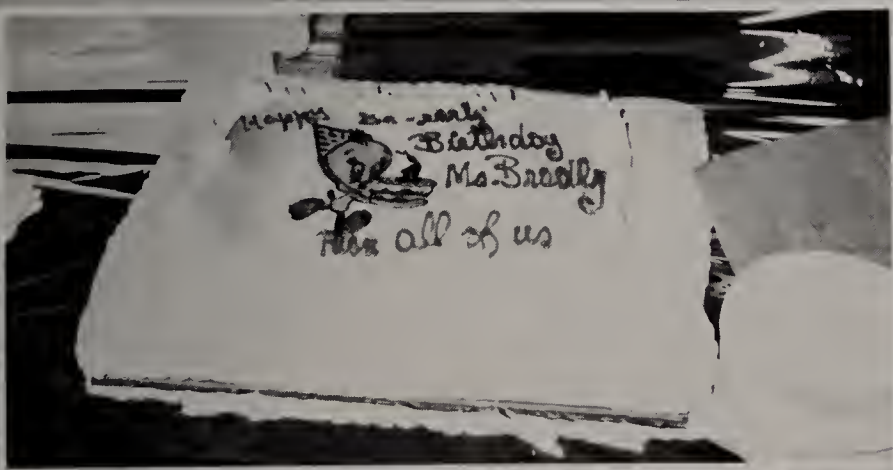

Norman "pirate" Verde took a break from pirating to have a sundae.

Ernesto, Santos, Ronald, Tony and Frank were among the many who enjoyed this successful party.

The crowd just grows larger and larger when they hear "ice cream will be served."

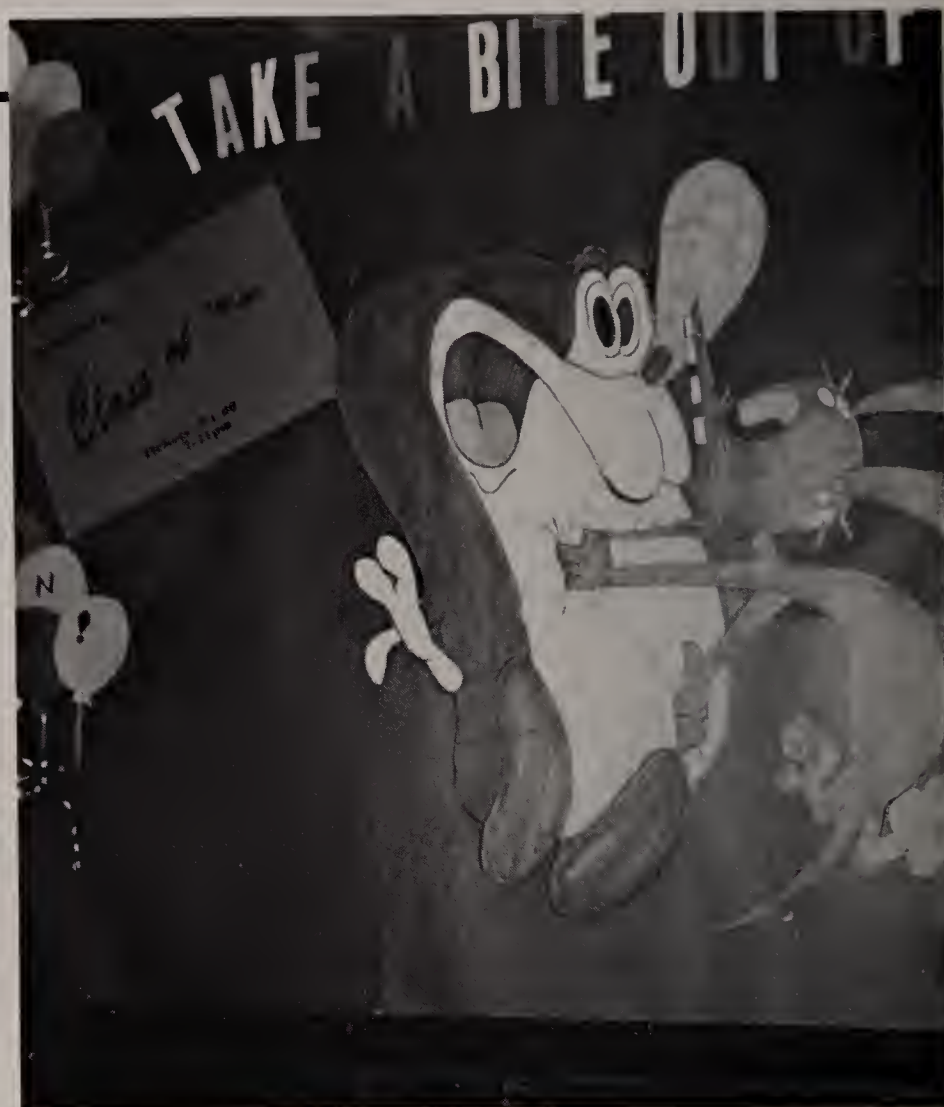

That's right, even "Antoine" was invited to the seniors' dress-up sundae party.

# A TOUCH OF "TAKE A BITE

Members of the Class of '93 share some happy moments with CHS alumni.

You can always count on Cathy and Luis to support any Chelsea High function.

These happy dancers decided to take a break from the dance floor to smile for the camera.

# OUT OF FUN” - HOMECOMING

Come on folks! Get on the dance floor!

Take your coats off and stay awhile.

And a great time was had by all!

1993 Class Advisor

# Loreen R. Bradley

YOU ARE THE GREATEST

## FROM THE CLASS:

You were not only an advisor, but you were one of the greatest advisors Chelsea High has ever had.

Since day one, you have made this class the BEST. You have made us work to our potential. You have helped us to grow and accomplish them. Without you we would not have achieved so much pride in our class.

Aside from that, you have stuck by us when no one else would. Through all the good and bad times you were still there - every part of the way. It was as if you were one of us, growing and experiencing challenges just like us.

Ms. Bradley, thank a billion for everything you have done for us. We love you! You are the greatest!

# FACULTY AND STAFF

# FACULTY AND STAFF

Adding its own *touch of class* to Chelsea High School is its faculty and staff. The faculty and administration exemplify the school's motto, "Chelsea High is for learners." Daily, teachers prepare students for their lives after high school. Teachers not only work diligently in the classroom, but also outside the classroom. Many faculty members serve as class or club advisers, and as mentors. All are readily available to meet a student's needs. As students look back on their high school years, they will remember that *touch of class* provided by the faculty, administration, and staff at Chelsea High School.

TO THE CLASS OF '93,

I WOULD LIKE TO THANK YOU FOR THE OPPORTUNITY TO HAVE BEEN A PART OF YOUR CLASS. SINCE MY FIRST EXPERIENCES WITH THIS CLASS, IT WAS APPARENT THAT IT WAS INDEED GOING TO BE A GREAT GROUP. THERE ARE VERY FEW CLASSES THAT COULD HAVE INVOLVED SO MANY DIVERSE PEOPLE IN ITS ACTIVITIES. IT WAS OBVIOUS TO MANY PEOPLE THAT THE CLASS OF '93 DEVELOPED A SENSE OF SCHOOL SPIRIT THAT CHS HAS NOT SEEN IN A LONG TIME. THIS IS A GREAT TRIBUTE TO THE OFFICERS, MEMBERS, AND ESPECIALLY MS. BRADLEY. TO ALL OF YOU, THANK YOU FOR LETTING ME BE A PART OF THAT EXPERIENCE.

Dear Chelsea High School Student,

It seems appropriate that I am writing to you at this time of year. For many people this is a time for the celebration of light. For many of us it is a time when we stop and reflect on a renewed presence of hope. For me and my family these symbols take on new meaning. I have been given the opportunity to relocate to a community on Cape Cod and begin in a new position as Director of Curriculum for grades 6-12. The added benefit of this move has been the opportunity for us to relocate to more spacious quarters and become part of the community in which I will be working.

I tried to think of the best way to let all of you know of this move. The reason I chose this letter is that I find word of mouth unreliable, assemblies impersonal and there was no way I could speak to you all individually. I want each of you to read this letter as one written directly to you.

In my three years I have come to know most of you by name and many of you in spirit. You have taught me many lessons of courage, caring, struggle and perseverance. Some of you have been the source of my greatest frustration, some of my greatest satisfaction and some of my fondest memories. All of you have been a source of learning. I have always believed that we are all angels. An angel is a messenger from God. Everyone who crosses your path is bringing a message to your life. You have all brought me a great message about yourselves and Chelsea. I only hope I have not missed some important messages.

There has never been a day when I did not want to come to work in Chelsea. Each and every day in the midst of difficulty or struggle one of you would touch my life and soothe the wounds even if only for a short while. In this respect you should all see yourselves as the potential healer of another. There is no better healer than a wounded healer.

In this season of light and hope I want to encourage you to see the potential light which each of you can bring to all at Chelsea High School and to cherish the gift of hope which is the motivation to begin each day and the strength to see it through. I have grown in respect, appreciation and affection for all of you this past two and a half years. Though our time together has been short I feel it has been meaningful.

I wish you all the opportunity to identify your dreams, the courage and perseverance to attain them and the peace and ability to live them out. Be good to one another, respect your teachers and your parents but most of all be good to and respect yourself. Thank you for all you have done for me. You will all surely be on my mind this Christmas season, and I wish you all Happy And Peace-filled Holidays.

Sincerely,  
*Andre Ravenelle*

Students at Chelsea High School are not only given an opportunity to develop the mind, but they are given ample opportunity to develop the body as well. Students may participate in a wide range of athletics ranging from informal intramurals to more formal organized team sports.

The 1992-93 athletic squads did a fine job of representing their school. In all sports, games were close and competitive. The soccer team won another championship and the basketball team also had an outstanding season.

Congratulations to all the athletes who, as usual, displayed a *touch of class!*

It was an honor to be Captain of the 1992 football team. Although our record was a very disappointing 1 win and 9 losses, we managed to stick together through the "good times and the bad times" that the season offered us.

We began training camp in the late, hot summer month of August. There was a big turnout playerwise, but day by day the number of players got smaller and smaller.

Our first test began in the pre-season against a highly ranked division 6 team from West Bridgewater. We had an excellent performance against this team and everybody was looking forward to the season.

Our first game of the season was against the back to back defending Super Bowl Champions, Greater Lowell. It was a hard fought game against a very strong team, but we lost 26-14.

During the following weeks there were conflicts among the players. By the looks of things we were in for more losses. Instead, adversity brought us closer together. When Saturday came we were ready to swat the Hornets from Manchester and that's just what we did, winning our first game of the season 20-8.

In the weeks that followed we lost games to our rivals, but always gave 100%.

The regular season had come to an end and we looked forward to winning Thanksgiving morning against the Pope John Tigers.

I don't think any member of the team will forget this game. It had been pouring rain the whole night and day. The field was like a huge mudpit. The whole team gave it all they could, but fell short losing 20-6. It was a very tough season, but the team stuck it out and we can always look back on our own personal highlights.

The Chelsea High Girls Volleyball team finished the season winning 5 games and losing 13. With the coaching of Liz Bouras and assistant coach Mary Gerace, the girls mastered their basic skills and went to learn some strong offensive and defensive plays and strategies. Captain Olga Carreno, along with co-Captains Kim Lanzillo and Rona Valera emphasized strong team work. They, along with the coaches, created a competitive working environment for the girls.

The team, as a whole, displayed solid and consistent improvement from the year before and continues to become a bigger force in the league. Strengths in the team were seen in consistent bumping, strong serving, accurate setting, and powerful spike delivering. Look forward to seeing next years team build on the talent, experience and knowledge that was shown this season, since most of the players this year were sophomores.

Congratulations to Olga Carreno who was chosen as a first team All-Star and to Kim Lanzillo who made the second team All-Stars.

Only two seniors returned to this year's soccer team: Captain Byron Colindres and Genaro Martinez. Genaro was on his way to a great season when an injury in the Malden Catholic game sidelined him for the rest of the year. Byron showed leadership off and on the field and helped lead the defense to its best season ever. Chelsea gave up a total of twelve goals. In league play only one team scored against Chelsea.

The soccer team won the league championship for the second time, qualified for the state tournament for the seventh time and enjoyed one of its most successful years. A four overtime loss to Burlington in the MIAA was a major disappointment.

The league honored two players, Hugo Aldana and Raymond Garcia as first team league All-Stars; Byron Colindres, Roberto Pereira, Carlos Nunez and Aldo Rivera were named to the second team. Coach Tom Mahoney and Sam Vega were honored with the league's "Coach of the Year" award.

The soccer team's future appears bright.

## C.A.C. CHAMPS

The Chelsea High School Boys Varsity Basketball team has enjoyed an outstanding season. Under the guidance of head coach Jack Niven and assistant coach Jay Ash, the Devils have outclassed their Commonwealth Conference opponents on their way to their 3rd championship in 5 years.

The Devils played with heart and determination throughout the season which helped the team to become well deserved champions.

The Devils dropped but one game in the upper division of the conference, ending up 9-1 in Conference play. In one stretch of the season, the Devils had a ten game winning streak.

The Devils championship season was one that was based on pure hustle, strength, quickness, desire and great team work. This year the team's focus was on "HARD WORK", which really said it all for the team. The "HARD WORK" chant echoed throughout the stands from the fans and into the minds of the players. We put more effort into the game by hearing it.

For the Devils' great season, they were rewarded with having three players chosen to the Conference All- Star team. The players picked were two tri-captains Chris Medina and Santos Fields. The other player was a league stand-out Carlos Feliciano.

We are now heading into the tournament with strong potential and determination to grab the state title.

Not only will the players always remember this season but they will also remember the fans that the Devils thrilled throughout the season. From now and for years to come, the 1992-93 Chelsea High School Boys Basketball team will be remembered as true CHAMPIONS!!

WINS: 6 LOSSES: 10

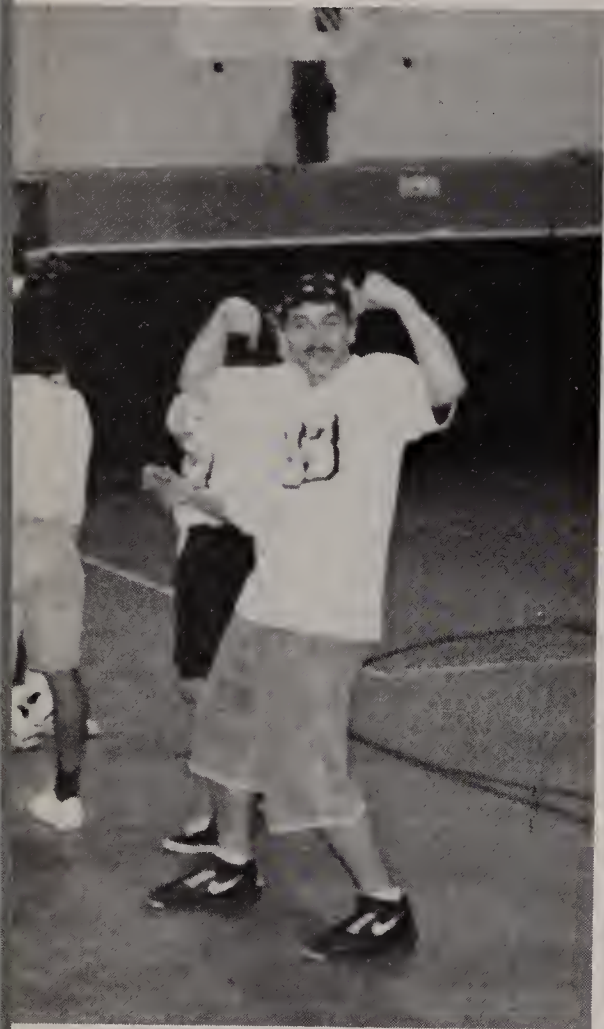

The Girls Basketball team did very well this year considering the fact that there were only 2 upper-classmen on the team. The team coached by Laurie Skiddell and Asst. coach Ana, went through the season playing hard every game and improving in their offense and defense as each game was played. Captains Olga Carreno and Isidra Quinones led the team with their experience on the court and the ability to keep the team together and work hard till the end. The coaches focused a lot of time on the basics and then were able to teach the girls some spectacular plays that definitely showed the talent that these girls hold. Although this is a very young team, most of the girls have been playing together 3 years now and in the coming year they will definitely see more wins as the players continue to follow through to their abilities. We would like to say goodbye to our only senior on the team, Olga Carreno, who will continue playing in college. Congratulations to Olga and Isidra Quinones who made the C.A.C. Allstar team!
